5. OLAP vs OLTP

Online analytical processing (OLAP) and online transactional processing (OLTP) are the two primary data processing systems used in data science.

- <https://corporatefinanceinstitute.com/resources/data-science/oltp/>
- <https://aws.amazon.com/it/compare/the-difference-between-a-data-warehouse-data-lake-and-data-mart/>

6. Database Normalization vs. Denormalization
